

Dear Friends,

Our children at The Waterville Public Library just finished reading the book Flat Stanley. It is a tale about a boy who is flattened when his bulletin board falls on top of him. Stanley has many fun adventures while he is flat, including a trip to New York City through the mail inside of an envelope!

We thought it would be fun to send Stanley through the mail to our own various destinations, and you have been chosen as a lucky recipient! While Stanley is staying with you, feel free to take him with you on your trips this summer. Like to the park, bike riding, hiking, to the zoo or even watch a movie with him. Take pictures of Flat Stanley whenever you do something with him. You may decide how long or short Stanley stays at your house.

When you are ready to send our friend Stanley back 'home', would you please enclose a note and some pictures which tells what Stanley did while visiting you? We are going to hang them up in our library to show everyone what Flat Stanley has been up to. We hope he is good company, and we are looking forward to hearing all about Stanley's adventures with you.

Please return Stanley to me at the address listed below. Thank you for your cooperation with this project!

Sincerely,

Waterville Public Library
C/o Amanda Briggs
